Your Excellency

I am pleased to kindly greet you in the occasion of expressing that BANESCO BANCO UNIVERSAL, a financial institution that I preside over and with headquarters in Caracas, Venezuela, adheres to the principles of Human Rights, labor standards, environmental protection and the fight against corruption, all of them established in the Global Compact of the United Nations in 1999.

It would be an honor for our organization to be included in the list of those institutions that support the Global Compact, with a view to contribute to the building of a better world with justice and a more promising future for the next generations.

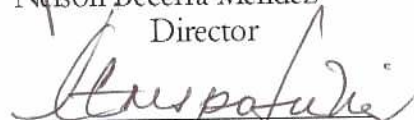

Sincerely Yours,
